Parish Council Meetings during COVID19 procedures

The Parish Council like all organisations have had to change some procedures due to the preventative conditions imposed during COVID 19. Legislation has been passed to allow Local Authorities and Parish Councils to meet remotely, e.g. by video conference to continue with business. So the PC held their first remote meeting on 11th May. This is not a decision that was taken lightly. Members were very aware of the makeup of the village and that many do not have the technology to 'attend' a remote meeting. However, the PC had to meet remotely as there was a planning application to consider and the Planning Authority twice refused to suspend it or grant an extension until the council could hold a normal meeting in public.

All that being said, the first remote meeting seemed to go really well. 19 people attended including 9 members of the public. The council had to purchase the Zoom video conferencing facility to do this but it worked well. The PC have received some positive feedback.

What's been happening:

Support for villagers during COVID19

The PC is aware that not everyone in the village has access to computers and the internet to see where support during COVID19 can be found. So early in the crisis the PC arranged for a leaflet drop to every home in the village. This leaflet included useful information about local providers as well as

phone numbers to call to request help with shopping for food or medicine. This has become a regular support mechanism and 9 leaflets have now been delivered to the village with further leaflets planned.

The Shimpling Support Group are still available for anyone who needs help with collection of medication (from other GP surgeries/pharmacies) shopping, or if you just need to chat – please call Liz Brunwin on 828122 or Katie Haslehurst on 827370 if you need any help.

Recycling

Please remember that the Parish Council receives money from the paper and glass deposited in the recycling bins near the Bush PH. This income helps to run the council and therefore is a direct benefit to the village and the environment so **please keep recycling.**

Dog Waste Bin

Following a request from villagers. The PC have purchased another Dog Waste Bin and sighted it in Gents Lane. The bin is now in place and all dog owners are encouraged to use it and keep Shimpling tidy for everyone to use.

COMMUNITY UPDATE

The Parish Council has been very impressed by the number of volunteers offering to help vulnerable people in our village during the current crisis. Although the Support Group will carry on in its present form for the time being, it has been suggested that we should try to continue this work and form a Good Neighbour Scheme. For a village of our size this would not be an onerous task but it would make a great deal of difference to those needing help with transport, shopping etc.

If you would like to get involved with this please contact Liz Brunwin on

**UNFORTUNATELY BECAUSE OF THE CURRENT
COVID 19 CRISIS, THIS EVENT HAS BEEN
CANCELLED**

Thankyou Thankyou... Thankyou

A big thank you to all those who have offered help and assistance during the COVID 19 crisis. I know from the messages I have received that those of you who do not have computer access have valued the leaflets that have been posted through your letter boxes, so I would like to extend a special thanks to Sarah Smith, Jayne Schofield and her team of delivery volunteers for their help with these.

Although requests for help have eased up of late, the Shimpling Support WhatsApp Group is still up and running if you need help now or in the future.

Alternatively you can call Liz Brunwin on 828122.

I would like to thank Graham Bronson, Joan and Fred Raison, Ro Northcott and Mel Tuffen who staunchly delivered the magazine/ad hoc leaflets right up to Covid-19 lockdown. Very kindly, Mark Beaver, Paula Hawes, Helen Pilgrim, Sarah Smith, John Sinclair and Ben Schofield joined the delivery team to distribute regular updates from the Parish Council during lockdown. I must thank those who have carried on which is Sue and Mike Fahey Wilson, John and Jackie Watson, Lottie and Richard Blythe. Mark, Paula, Helen, Sarah and John will now join the Shimpling Magazine team and welcome back Mel. A great team.

The Best and Worst of Times

"It was the best of times, it was the worst of times". As I pause to reflect on the past few months, this opening line from Charles Dickens' 'A Tale of Two Cities' seems to fit the contrasting experiences of many I have spoken to.

For some it has been the worst of times. Our thoughts firstly go to those who have been ill or have lost loved ones ... for whom it has been even harder due to the many constraints on personal contact. We also think of those who have been isolated and alone, those whose jobs or finances are insecure, and children and parents who have had to cope with 'delights' of home schooling!

But for many these have been the best of times: no traffic or planes, time to garden, time to think and pray, time to catch up with old friends, time to appreciate creation and the environment. We learnt that we can be happier living simply ... without many of the things which we thought were so important. I also think that we have appreciated the importance of local community – something which I have always found to be strong in Shimpling.

We are in a strange time now as lockdown gradually lifts. Whereas some are enjoying trips to the beach or visiting family, others are still shielding. Whereas some are tempted to ignore social distancing, others are nervous to come out. Likewise there are inconsistencies on what is permitted – perhaps inevitable given the complexity of the situation. Indeed I think some are feeling more unsettled now than they were at the start of lockdown.

So I am praying a number of things. I pray that there will not be a large second spike; and that people will be responsible but not anxious. I also pray that in this time of extreme contrasts, we can take the 'best' of what we have learnt, and

change some of the 'worst' of what we have been. This surely is an approach that always pleases God's heart.

Matthew

Revd M Lawson, Rector of Alpheton, Long Melford, and Shimpling.

What has been going on in our Churches?

Because at the start of lockdown we were not able to worship in church we started livestreaming services every Sunday at 10.30am. We are now gradually opening up our churches again. We have simple midweek communion services in our churches every week, and are planning our first Sunday service in church on the 20th September when we will celebrate Harvest (in Long Melford). As you can imagine there has been a lot of work associated with sustaining worship and maintaining our buildings and graveyards safely through this period, and I would like to thank all involved. We have also tried to support those without internet access in various ways. What has been surprising is the number of people asking that we continue livestreaming on Sunday even when we are regularly back in church on Sunday – and these requests are often from those in their 70's and 80's - so I am currently looking at the technology to make this possible.

Alongside these we have had our usual funeral and wedding services, and we hope to restart Christenings soon. We have also had an active children's programme.

It is difficult to predict the exact service pattern for October and November at the moment, so please check the website (www.alphetonandshimplingchurches.org.uk) or call the administrator Vicky on 07804 558160.

THE PARISH OF ALPHETON AND SHIMPLINGTHORNE

For details of the livestream (you do not need a Facebook account), our dial in service, or our children's work, please see the flyers.

Lastly we are delighted to have welcomed Rev Judith Offord as a curate to the Chadbrook Benefice; I hope that you get a chance to meet her soon.

Wishing God's presence with you in these uncertain times.

A Coronaverse, by Tim Barker

The dreaded virus is here to rage
Without regard to sex or age
Until we either live or die.
But when we win this lengthy duel
All of us and those who rule
Will need once more to think anew
The ways in which we live our lives;
The wanton appetite that drives
Mankind to put the earth at risk.
When we at last regain our health
We must all try to share our wealth
To benefit mankind.
We'll go far less, I hope by 'plane
And maybe travel more by train
Or spend the time at home.
We've learnt perhaps that people are
Much greater than any thing by far,
And need much more respect.
And more than that we must ensure
That all of us, both rich and poor,
Share from the same table.

A message from Alpheton & Shimplingthorne PCC

We are already missing our Alpheton and Shimpling church services but you will all understand the reason why this action has been taken. So that we can continue to worship and keep in touch with one another, the church is continuing in a different form and we do hope that you can join our Services which are being livestreamed at 10.30am every Sunday. You can find the Services on the Long Melford Church website at www.longmelfordchurch.com and clicking on the words "Long Melford Church" at the top of the Facebook section.

We appreciate that keeping the church going financially may not be top of your priority list at the moment. Nevertheless, we must still support the costs of our ministry and pay our bills and therefore we would like to request that if you normally put your offering on the plate, whether you would consider donating to us in a different way?

Donations may be made directly into our bank account if you are able to do so, or by standing order: either would help us maintain our regular income. We also welcome donations made by cheque but this may be difficult to process. Our bank details are :- Alpheton and Shimplingthorne PCC; Sort Code 60-04-16; Account No 56293658. Cheques can be sent to our treasurer Sue Fahie-Wilson at Chiltern House Shimpling. Alternatively, there is now a telephone service to set up a direct debit, for those wishing to make a regular donation. Please contact Sue for more details

(s.fahiewilson@gmail.com ; 01284 827243)

Be assured that whatever you are able to give during these difficult times will be put to good use and greatly appreciated by all at Alpheton & Shimpling. Of course, this would be only after considering your own needs, which may have changed in the current situation.

Wishing you all the best, keep well and keep safe.
Remember that we are here to help and support you.

Daily Hope Prayer hotline

There is a **24-hour free telephone line** for Christian worship and prayer which has been organised by the Church of England. All you have to do is call **0800 804 8044**. People calling the free number will hear a greeting from Justin Welby Archbishop of Canterbury and can then choose from a range of options including hymns, prayers, reflections and advice on Covid-19. It has been set up particularly with those unable to join online church services during the period of restrictions in mind.

Suffolk Churches Ride and Stride 2020

A rather different event this year

After all these weeks in lockdown we hear reports from all over the county of friends and supporters who are much looking forward to getting out on their bikes for our annual church to church event. In view of the importance to the work of the Trust of this, our main fundraising event, we are doing all we can to ensure the Ride takes place this year despite the need for sensible health precautions at all times.

The situation changes weekly - churches are now open for services. There is every indication that it will be safe for riders and striders to participate, provided of course they keep social distance. We hope you will also think it is safe, but of course it must be the decision and responsibility of all participants and parishes as to whether or not they take part. If the Covid-19 situation deteriorates we shall not hesitate to cancel but, at present, signs are looking positive.

The best guidance we can give at present is:

- Follow the Government guidance on Covid-19 prevailing at the time
- Some churches may not be open or there is no one to welcome you ... just sign the register
- Don't worry if there is no register, just mark your own sponsor form with churches visited
- As an alternative to signing in, you could take a photo of the church sign as evidence
- Take your own pen

- It is unlikely that there will be refreshments, so please take your own
- Toilets may not be available
- - If you enter a church, touch as little as possible
- Take hand sanitizer
- Remember the Highway Code and use lanes and minor roads where possible

Obviously we all pray that come September the guidelines WILL have further relaxed and we can all enjoy the day much as ever.

After the event please send in the sponsor form and money to the Local Organiser as usual.

ENJOY THE DAY AND STAY SAFE!

Jobs for Jayne

Could you make your life easier, simpler or more organised by giving some of your jobs to Jayne? These can be done whilst you are at work, whilst you are busy elsewhere or with you.

- Do you wish you had some food prepared so you could just enjoy heating and eating it? Would you like your favourite meals cooked your way with a little help from me?
- Do you wish someone could help in the mornings so that you could do the school run, go to work and come home to a tidy kitchen?
- Would you like your food delivery put away whilst you are at work?

I can help you with putting out the washing and getting it in.

I can be with you in your garden and help with tasks that you want to do but can direct me to do for you.

I can organise paperwork and type letters if needed.

These are only some of the jobs I can help you with, please call me to discuss your requirements.

SHIMPLING VILLAGE HALL MANAGEMENT COMMITTEE

We are hoping to be able to open the village hall at the beginning of September, with new equipment, particularly in the toilets and kitchen areas, sanitizing stations throughout the premises. There will be new signage to help users with the new regime and hirers will be informed by letter, of their responsibilities.

We will be holding our AGM on Monday 7th September, but hope to be able to revert back to a May date next year. The VHC really needs new members to join; we need extra people to help with the day to day running of the hall and organising community events. Our treasurer will be standing down, so it is important that we are able to fill this position very soon. We are a small committee of just six, meeting approx. every six -eight weeks.

If you enjoy being part of a village that has always had a good community social life, please consider giving some time to help.

(Oliver Schofield)
Covering Shimpling and Alpheton**

For many years Ollie's Pet Care has helped many pet owners in the village of Shimpling, from a one-off feed to a months pet care.

I offer a bespoke service.

Bins, post and small gardening jobs can also be considered. If you are going away for a night, or going on holiday, contact me and I may be able to solve your pet care problem !

HAPPY TO HELP Garden Services

Call David on 01284 828127

We are two brothers who are passionate about the work we do, to please all with the quality of work and skill we provide, we are only happy if the customer is happy. Between us both we have extended experience in the building trade, we have worked in the past with a small building company building high quality and top spec houses, with over 15 years of experience and employment, (which we were very grateful for) we decided the time was only right to please others under our own name of Reynolds Building & Garden Services.....

These are a few of the services we provided,

plastering, tiling, ground works, landscaping, garden design and build, small extensions, and a small amount more.....
